Focuses on secure data management, real-time updates, and user-friendly interfaces to ensure efficient and reliable election processes ([github](#))

EXTRA-CURRICULAR ACTIVITIES

- **Organized a Capture The Flag (CTF)** competition at college, where I contributed to the design and content writing aspects. Collaborated with a team to create engaging challenges and develop competition materials, enhancing the event's overall effectiveness and participant experience.

ACHIEVEMENTS

- Participated in a Capture The Flag (CTF) competition organized by Hackers Daddy, securing a position in the top 30. Awarded an internship at Hackers Daddy as a Pentesting Trainee, where I am gaining hands-on experience and training in cybersecurity.
- Achieved a top 120 placement in the Pentathlon Capture The Flag (CTF) competition organized by the National Critical Information Infrastructure Protection Center (NCIIPC), All India Council of Technical Education (AICTE), and Ministry of Education's Innovation Cell (MIC)
